

Homeschool Group Programs at KTM&HC

We're making history!

Located on four beautiful acres in the Cultural District of Ridgefield, CT, Keeler Tavern Museum & History Center shares the stories of our site's former residents with visitors, connecting local and national, past and present. Our vibrant museum interprets hundreds of years of American history, with particular strengths in the Revolutionary War era and early 20th century.

Engaging experiences personalized for every group!

Featuring guided tours of our c. 1713 historic tavern, interactive rotating exhibits, and a stunning historic walled garden and Garden House, our museum is a fantastic place to bring your group.

“All museums should be like the Keeler! . . . Thought-provoking and made me curious, which is what one hopes for in a museum.”
